Port Columbus

INTERNATIONAL AIRPORT

Port Columbus International Airport, located just minutes from the business center of Ohio's capital city, provides convenient and affordable air service to more than six million travelers each year. Showcasing its commitment to the Columbus hub and Ohio, America West Airlines has dedicated an aircraft resembling the state's flag. Port Columbus' new $25 million Concourse C demonstrates the airport's ongoing commitment to provide the highest level of air service and facilities to central Ohio travelers.
